

Bennett Health Care Centre

A Call to join the Board of Directors

We are seeking individuals interested in serving in the future as a volunteer member on the Board of Directors or as a Community Representative on one of the Board Committees of the Bennett Health Care Centre (currently there are no board positions vacant).

Our vision is to establish an integrated campus setting that will offer a continuum of options for housing and high quality care and services to seniors and those with special needs in Halton Hills. Presently, we offer long term care to 66 residents at our Princess Anne site and in 2009, opened The Gallery, a 105 unit senior's independent living apartment for those age 60 plus in Bennett Village on our Halton Hills Drive campus.

To continue our journey to achieve this vision, we are especially interested in individuals with experience in the areas of finance, facility and housing development, marketing and legal services. Please use the button on this page of the website to download information on how to make an application. **Applications will be accepted until 4:00 p.m. on Monday June 13, 2011**
